**ORDER ENTRY BY FAX 888.802.8186 OR EMAIL [orders@healthathomeinc.com](mailto:orders@healthathomeinc.com)  
Office 704.960.0148 or 980.900.2845 [www.healthathomeinc.com](http://www.healthathomeinc.com)**

Health at Home, Inc., in collaboration with our manufacturing partners, provides products to enhance the design, function, accessibility, and safety of the bathroom. Our bath modification products create spa-like, aging-in-place, and accessible – barrier-free bathing spaces for projects with varying budgets and physical circumstances of the bather.

## **Terms and Conditions**

**Prices:** All prices are subject to change without notice and are exclusive of any shipping, delivery, or handling charges that may apply. Our products are subject to a Minimum Advertised Pricing Policy. See full details below. **If/when pricing changes in between printings of the price book, the current pricing can always be accessed by scanning the QR code on the front cover of the price book. Updated retail pricing will also be posted on our website and emailed to our customer contact list.**

**Stocked items:** Items listed in black are generally stocked in Charlotte.

**Minimum orders:** There are no minimum quantities or dollar amount required.

**Handling charges:** Unless notified prior to order shipment, there are no handling charges.

**Terms:** Net 30 days with approved credit; otherwise, payment in advance via electronic check or credit card. Payment of all invoices due within 30 days from the date of the invoice and invoices are subject to a late charge of 1.5% per month on all past due invoices.

**Invoicing:** All invoices are forwarded via email with tracking information provided for orders shipped from our warehouse.

**Freight:** All orders are shipped via the carrier and method of Health at Home, Inc.'s choosing with applicable charges added to the customer's invoice. If special routing or expedition is requested, we reserve the right to invoice any additional costs incurred. Oversized packages will be charged the carrier's published price plus handling. As a part of our service, every effort is made to assist with coordination of jobsite deliveries; however, it is the customer's responsibility to contact the carrier and to receive deliveries made to a jobsite or residence.

**Prepaid shipping program:** Orders of \$1,000.00 net for any combination of products shown on pages 16 - 25 will receive prepaid shipping. This does not apply to other products listed in the price book.

**Damage or Loss:** Products are shipped "Free on Board" (F.O.B.) meaning, our responsibility ends at the time Health at Home, Inc. delivers merchandise, in original condition, to the carrier. Delivery to the carrier constitutes delivery to the customer. All claims for damaged or lost shipments should be made promptly by the customer to the carrier. All claims for material shortage, incorrectly shipped product, or damaged goods must be made within 7 days from the invoice date.

**Returned Goods Policy:** Prior approval MUST be received in writing from H@H for the return of material. Please submit the list of items to be returned, an explanation for the return, and the invoice # on which it was purchased. We will issue a R.G.A. document that must accompany the returned products. The product must be shipped via a prepaid method (unless the cause of return is our error). All products to be returned for resale are subject to our inspection and a 25% restocking charge.

**Warranty:** All H@H products are covered by a minimum of a one year warranty to be free from defects in material or workmanship. See our full warranty document for details (available upon request).

**MAP Policy:** Advertised prices for Products may not be displayed or otherwise advertised on the Internet at a discount of more than twenty percent (20%) off of the Bilanx bath collection®'s current list price for such Products (the "Minimum Advertised Price"). Resellers may only display or otherwise advertise Product prices that are equal to or greater than the Minimum Advertised Price.

**ORDER ENTRY BY FAX 888.802.8186 OR EMAIL [orders@healthathomeinc.com](mailto:orders@healthathomeinc.com) Office  
704.960.0148 or 980.900.2845 [www.healthathomeinc.com](http://www.healthathomeinc.com)**

*Product Care and Maintenance Information Shipped with Seat*

*\*Stainless steel mounting screws included with each seat. All seats MUST be secured to blocked wall\**

## Bilanx Shower Seats - What makes them stand above the competition?

- Bilanx seat frames are manufactured using high quality 12 gauge, type 304 stainless steel.
- The rotation of the stainless steel seat barrel allows the bottom to fold up flat against the wall when not in use (2-7/8" projection when closed).
- Teflon gaskets assures smooth movement up and down with light tension.
- The recycled HDPE material is color fast, does not harbor bacteria, and is easy to clean/disinfect.
- The Bilanx seats are designed and tested for weight bearing capacities to 500 lbs. when installed per instructions.

## Why are HDPE shower seats superior to wood?

- **Less expensive** - HDPE is lower cost.
- **Lower maintenance** - HDPE holds its color and attractive appearance long term (wood does not unless aggressively maintained).
- **More sanitary** - HDPE is more sanitary (can be sanitized with a diluted bleach solution, wood cannot).
- **Better warranty** - HDPE shower seats have a 10 year warranty ( natural wood shower seats have a 1 year warranty)
- **Consistent color** - HDPE colors are consistent. Wood teak color can vary from seat slat to seat slat.
- **More sturdy** - HDPE is stronger. 1" thick versus 3/4" thick for wood.
- **Fewer service issues** - HDPE will not crack or splinter.
- **More color options** - HDPE shower seats are available in 16 colors.

## Seat Slat Color Options:

	White	WH
	Gray	GR
	Light Gray	LTGR
	Black	BL
	Patriot Blue	PBLUE
	Sand	SN
	Weathered Wood	WW
	Mahogany	Mahogany
	Driftwood Gray	DWGR
	Coastal Gray	CGRAY
	Walnut HDPE	WALHDPE
	Brazilian Walnut	BZWalnut
	Birchwood	Birchwood
	Antique Mahogany	Ant. MA
	Teak HDPE	TKHDPE
	Seashell	Seashell

## RECESS FLOOR SHOWER PANS

MODEL #

LIST PRICE

### Integrated Solid-Surface Curbless Shower Pans

Integrated solid-surface shower pans are designed specifically for aging-in-place and barrier-free showers, where safety, comfort, and long-term durability matter most. Made from a dense, premium solid-surface material, delivers a substantial, stone-like feel that provides exceptional stability in zero-entry installations. Includes: waterproofing flange, spacer tape, waterproofing sealant, transition corners, Installation straps

Recessed Shower Pan 60x36" - trimmable.

HH-RR-SSR3559RP RIGHT \$1,900.00

HH-RR-SSR3559LP LEFT \$1,900.00

Direct to subfloor Shower Pan 60x36" - trimmable.

HH-RR-SSR3559RC RIGHT \$2,050.00

HH-RR-SSR3559LC LEFT \$2,050.00

Direct to subfloor Shower Pan 60x32" - Low-Threshold trimmable.

HH-RR-SSR3259WC CENTER \$2,050.00

### Tileable Curbless Shower Pans

Tileable shower pans are engineered for true zero-entry and aging-in-place showers, where floor height, strength, and waterproof integrity are critical. Featuring the lowest profile in the industry, these pans make curbless installations possible even in challenging remodels and slab-on-grade construction.

Recess Tileable Shower Pan 60x36" - trimmable.

HH-RR-RRSPT2CSVAR \$590.00

HH-RR-RRSPT2CSVAD \$620.00

HH-RR-RRSPT2CSP \$650.00

HH-RR-RRSPT2CSC \$650.00

HH-RR-PRT2CS \$700.00

HH-RR-PRT2CSLDK \$700.00

**SHOWER WALL KITS**
**MODEL #**
**LIST PRICE**

**HH-SWPKIT843662MS-WH**
**\$2,500.00**

Modern Subway 6"x24" tile pattern solid surface shower wall set in white:  
 (4) 36"x42", (2) 62"x42", (2) PVC corner trim,  
 (3) PVC seam trim, (10) tubes of adhesive.

- Compression-molded solid surface with glass reinforcement technology
- 6 x 24 subway tile pattern
- No mold, mildew or grout
- Impervious to chemicals and corrosive solvents
- Color and texture throughout —no surface coating to crack or chip
- Ideal for remodeling or new construction
- Wall panels easily trimmed to fit shower applications

**Wall Panels**

Wall panels engineered to deliver a premium shower finish with the durability of a solid panel system and the speed of modern installation. Designed specifically for curbless and accessible showers, each panel size is optimized for one-person handling, eliminating the need for special equipment or multiple installers.

Naturally Matte shower wall kit

**HH-RR-WPNKITM**
**\$1,700.00**

60 x 36 x 96"

9-piece trimable shower wall kit installs with tongue and groove

- (6) Naturally Matte Side walls: 32" x 36"
- (3) Naturally Matte Back wall: 59" x 32"

Concrete Matte shower wall kit

**HH-RR-WPCKITM**
**\$1,700.00**

60 x 36 x 96"

9-piece trimable shower wall kit installs with tongue and groove

- (6) Concrete Matte Side walls: 32" x 36"
- (3) Concrete Matte Back wall: 59" x 32"

The system uses a precision tongue-and-groove edge profile that ensures perfectly aligned seams, eliminating lippage and minimizing installation challenges. Panels lock together cleanly, creating a flat, consistent surface that looks intentional—not pieced together.

- Highly durable, impact-resistant panel construction
- Lightweight formats designed for single-installer handling
- Faster installation with reduced labor and skill requirements
- Clean, modern appearance with consistent panel joints

**SELECTING THE RIGHT TUB FOR YOU:**

**Soaker**  
 Our premium tubs are roomy enough for a full-body soak, and the walk-in bathtub models offer an even deeper more spacious immersion, both provide an effective way to benefit from hydrotherapy. Hydrotherapy is the way in which water, by simply submerging yourself in it, can help heal the body, mind and spirit. Soaking in a warm or hot bath can provide detoxification, stress relief, and increased circulation among other benefits. It can also help with many health ailments such as insomnia and arthritis.

**Air Jet (Air Therapy)**  
 An air massage system makes bathing more enjoyable by adding a soft tissue massage to your bath as a blower gently pushes warm air through multiple jets spread throughout the bathtub for the most calming and healing effect. These warm bubbles soothe the body while stimulating the production of natural analgesic hormones known as endorphins. The variable speed makes it completely adaptable to the bathers' individual needs producing either a gentle caressing flow of bubbles or a more powerful stream.

**Water Jet (Hydrotherapy)**  
 While soaking in the tub has so many health benefits, adding hydro massage gives you even more. The warm and powerful individual streams of water are easily adjustable to customize your bathing experience with either low or high water pressure, or a pulsing effect that are placed strategically around the bathtub to give a thorough and vigorous massage right where it is needed. This deep tissue massage relaxes the muscles from everyday tension and helps eliminate accumulated toxins such as lactic acid.

**Water and Air Jets (Dual Therapy)**  
 The many benefits of hydrotherapy and massage therapy are undeniable. Now get the best of both worlds with a dual massage system. This massage system provides an array of options that can be changed at a touch of a button. Simply fill the tub, get in and enjoy. Or, for an even more pleasant experience, turn on the air massage and let the warm bubbles wash away the days stress. This easy to use and customizable massage system takes bathing to a whole other level.
